floorcloths

by spicherandcompany

Vintage Vinyl® is durable and certified non-slip with a tough tactile surface, notable designs, and signature vintage character. Each pattern has a distinct feel inspired by the past.

Vintage Vinyl® is a phthalate free perfect match for high traffic areas. The vinyl surface is easy to clean with a damp cloth and water. With proper care, Vintage Vinyl® can be used in outdoor settings exposed to rain, such as a covered porch.

CARE INSTRUCTIONS

Keeping Vintage Vinyl® clean is simple. Use a damp cloth for regular cleaning. For stubborn jobs, wash with a mild diluted hand soap and rinse with water after cleaning. Do not use dish soap, harsh chemicals or abrasives, which will wear off the finish and colors of the vinyl.

Although Vintage Vinyl® is durable in high traffic areas, it is not indestructible. Use reasonable caution and care on this product. Do not drag metal or heavy furniture across the surface.

For outdoor use, allow vinyl underside to dry after rain or wet weather conditions to prevent mildew.

VINTAGE VINYL[®] *floorcloths*

CARE INSTRUCTIONS

Vintage Vinyl[®] is simple to clean. Dust mop the floor to ensure all loose dirt and/or grit is removed. Wipedown with a damp cloth. For a really stubborn job try diluted hand soap and rinse thoroughly after washing. Do not use dish soap, harsh chemicals or abrasives, which will wear off the finish and colors of the vinyl.

The pattern and color of our floorcloths can considerably effect the appearance of a space. Light colors will tend to show dark colored dirt and dark colors tend to show light colored dust. Our patterned floorcloths will help conceal dust and dirt.

Spicher and Company has a distinctive look and feel. Our products are not intended to look new and in fact should more closely resemble a vintage product or found item. All Vintage Vinyl[®] Floorcloths are intentionally distressed. Photos can be seen on our website at www.spicherandco.com.

Vintage Vinyl[®] is durable in high traffic areas but it is not indestructible. Use reasonable caution and care on this product. Do not drag metal or furniture across the surface. Always use caution when wearing high heels. Applying felt pads to the bottoms of furniture legs is required. Clean up all spills as soon as they occur. This will prevent staining.

For outdoor use, allow vinyl underside to dry after rain or wet weather conditions to prevent mildew.
